PARADISE SEAFOOD

About Paradise Seafood

Paradise Seafood is a leading Frozen Seafood Distributor to London's fine dining restaurants.

Paradise Seafood is a fast growing business with the aim of providing the highest quality frozen seafood available, direct from leading manufacturers, to caterers in London.

Here's why London's top restaurants choose Paradise Seafood

- **Superior Quality** - we source from multiple manufacturers and our experience offers you the best advice
- **Competitive Pricing** - due to our extensive stock levels we can offer our customers the best rates
- **Consistency** - our frozen storage distribution centre in London has the capacity to stock in excess of 2,500 pallets

Looking to the future, we adapt to the continuous changing markets and new tendencies in the food market, diversifying in our frozen seafood products enabling us to grow day to day and offer our clients, original high quality products. We also supply exotic species from around the world.

We understand the pressure to reduce your number of suppliers in order to keep administrative costs low. Our goal is to be your preferred partner in today's high-pressure catering environments.
